Reference Docket No. 2009-489-E

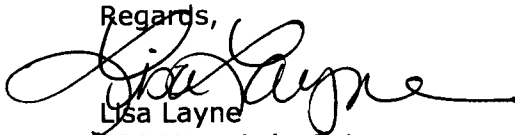

Dear Sirs:

I would like to express my disapproval to your rate hike request. This request should be withdrawn and I believe the following facts should support this.

- SCE&G was approved for a 2.5 percent rate increase annually for the next decade, following a 4.4 percent rate hike in 2008.
- New rate hike will boost residential power bills for the average SCE&G customer by about \$140 a year by July 2011.
- For Duke Power customers, the cost of 1,000 kilowatt hours is about \$93, following its recent rate increase. For SCE&G, the same level of power costs \$118. The rate boost, if granted, would put it at \$130.
- SCE&G has higher rates than other investor-owned utilities, as well as publicly owned Santee-Cooper.

Thank you for your consideration.

Regards,
